**New for 2008-2009** Academy players will have their own password protected website established and managed through NEOAT. This personal website will include a video library of their strokes, analyzed and narrated by an Academy coach. The footage will be updated once per season. This will be a video history of the player's progression through the Academy program. Also by demand, the Academy will be offering summer training opportunities in 2009. All Academy participants will receive a \$150 credit towards one designated camp week. Camp information and additional details will be available in the New Year.
